A Decade of Protecting Champions: 10 Years in Bloodstock Insurance

**Dr Michael Hurley
Director of Bloodstock**

As we welcome the Chinese New Year of the Horse, our Bloodstock Insurance Division proudly celebrates a remarkable milestone—10 years of safeguarding champions.

Over the past decade, we've earned our reputation as Hong Kong's leading bloodstock insurance broker and the trusted partner of the Hong Kong Racehorse Owners Association. It has been an honour to protect some of the sport's finest, including multiple Group 1 winners, Hong Kong Derby champions, and even two of the world's top-rated sprinters.

Our commitment to our clients set us apart early on—we were the first to provide insurance for horses in training at the Hong Kong Jockey Club's Conghua Training Centre. Today, our coverage extends globally, offering protection for stallions, mares, and young stock for HKJC members around the world.

To our valued clients and partners: thank you for your trust and support throughout this journey. We look forward to the next decade of excellence and wish you a prosperous and successful Year of the Horse
